

Overview: 2016 Master GT 1 Day (USA)

FEEL THE POWER AND PERFORMANCE OF MASERATI.

For the first time Master Maserati comes to American asphalt on 3 circuits across the country during the 2016 Summer. Dedicated to those who appreciate experiences that thrill body and soul, circuit and road, and above all the heart—Master GT 1 Day courses let drivers feel the adrenaline rush that comes from being in control of a Maserati on the track. Each package begins with a Thursday evening welcome reception followed by an elegant dinner with fellow drivers. On Friday, you'll start the day guided by experts in Maserati performance and track safety. And by the conclusion of the Master GT 1 Day course, you will know the thrill of unleashing the full power of our track-prepared fleet of GranTurismo, Quattroporte and Ghibli sports-inspired GTs and sedans.
